Concept2 Limited will replace or repair, at our discretion, the frame parts listed below that fail due to a defect in materials or workmanship for a period of five years from date of purchase of your Concept2 Dynamic Indoor Rower. This warranty is fully transferable to each subsequent owner of your indoor rower during the term of the warranty should you sell it or give it away. This warranty does not cover: damage to the finish of your machine; damage sustained as a result from neglect, abuse, or failure to follow indoor rower maintenance requirements (see Maintenance); shipping charges and, if applicable, customs clearance fees; or labor for installation of any parts shipped to you under warranty.

#### All Parts - Two Year Limited Warranty

Concept2 Limited will replace or repair, at our discretion, any part (excluding monitor batteries and handle drive cord) that fails for any reason for a period of 2 years from date of purchase of your Concept2 Dynamic Indoor Rower. Whether defective or simply worn out, all parts on your machine (excluding monitor batteries and handle drive cord) are covered for the first two years. This warranty is fully transferable to each subsequent owner of your indoor rower during the term of the warranty should you sell it or give it away. This warranty does not cover: damage to the finish of your machine; damage sustained as a result of neglect, abuse, or failure to follow indoor rower maintenance requirements noted below (Maintenance); shipping charges and, if applicable, customs clearance fees; or labour for installation of any parts shipped to you under warranty.

## Maintenance

The consumer must perform, or have performed, the following maintenance in order to keep the warranty in effect:

- Clean and Lubricate the Chain: The chain must be cleaned and lubricated at least every 50 hours. If the indoor rower is used in an institutional setting, then the chain must be cleaned and lubricated at least once a week.
- Disassembly of Monitor Prohibited: Any attempt to disassemble the performance monitor will void the warranty with respect to those components.
- Seat and Foot Carriage Roller Performance: The monorail must be kept clean in order for the rollers to be covered by this warranty.

Note that seat and foot carriage rollers are deemed to be normal wear items on the indoor rower. Daily cleaning of the stainless steel seat and foot carriage tracks, as recommended in the maintenance section of the owner's manual, will reduce wear of seat and foot carriage rollers.

## Additional Information

WHERE THE PURCHASER IS A CONSUMER THE PROVISIONS OF THIS WARRANTY ARE IN ADDITION TO ANY STATUTORY RIGHTS WHICH APPLY TO CONSUMERS.

WHERE THE PURCHASER IS NOT A CONSUMER, TO THE MAXIMUM EXTENT PERMITTED BY ENGLISH LAW, THE PROVISIONS OF THIS WARRANTY ARE IN LIEU OF ANY OTHER WARRANTY, WHETHER EXPRESS OR IMPLIED, WRITTEN OR ORAL, EXCEPT THAT CONCEPT2 LIMITED DOES NOT LIMIT ITS LIABILITY FOR PERSONAL INJURY OR DEATH CAUSED BY ITS NEGLIGENCE.

Except as aforesaid, under no circumstances shall Concept2 Limited be liable to purchaser or any other person who is not a consumer for any special, incidental or consequential damages, whether arising out of breach of warranty or otherwise.

In the event of a defect, malfunction, or other failure of the product not caused by any misuse or damage to the product while in the possession of the purchaser, Concept2 Limited will remedy the failure or defect, without charge to the purchaser, within 14 business days of its receipt of the product. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at Concept2's discretion. However, Concept2 Limited will not elect refund unless it is unable to provide replacement, and repair is not commercially practicable and cannot be made within the time for performance or unless the purchaser is willing to accept such refund. Replacement of a component part includes its free installation if the unit is returned to Concept2 Limited.

This warranty does not cover: shipping charges or labour for installation of any parts shipped to you under warranty. The term of this warranty begins on the date the product is shipped to the purchaser, and continues for a period of two (2) years.

Altering the indoor rower voids our warranty.
